

Thanks to the Wagon Strollers unique push handle and 5-point harness seats, it is the only wagon that has been approved for use in the Disney theme parks. However, given Disney Parks strict “no wagon policy” they have reserved the right to approve the Wagon Stroller for use on a case by case basis. To contact Disney for Wagon Stroller approval, please contact:

**Disneyland:**

Guest Services: (714) 781-4565
